MAITRI DAYANAND MAGADUM
B.E. - Computer Science & Engineering
Ph: +91-7411772254
Email: maitrimagadum04@gmail.com
Belagavi, Karnataka, India - 590010

BRIEF OVERVIEW / CAREER OBJECTIVE / SUMMARY

Extremely motivated to constantly develop my skills and grow professionally.
I am confident in my ability to come up with interesting ideas.
I believe in learn-unlearn and relearn.

KEY EXPERTISE / SKILLS

Data Analysis   Data Cleaning   Artificial Intelligence   Machine Learning   Python   C   HTML5   CSS   JScript

EDUCATION

Jain University
2018 - 2022
B.E. - Computer Science & Engineering | Percentage: **78.00 / 100.00**

Mahesh PU college, Belagavi
2018
12th | PUE Karnataka | Percentage: **77.00 / 100.00**

Little Scholars Academy, Belagavi
2016
10th | KSEEB | Percentage: **89.92 / 100.00**

INTERNSHIPS

AiRobosoft
Aug. 16, 2021 - Sept. 16, 2021
Intern
Key Skills:

Data Analysis   Machine Learning   Artificial Intelligence   Automation   Python   Creative Problem Solving   Management Skills

Communication Skills

We built 2 projects, which made us understand and work on our data analysis and machine learning skills. As we all know, data is the new fuel, some of the data sets to mention which we used in the projects are growth of the company by using which medium for advertisement [Dataset1], admission of student into a institute depending on his/her marks [Dataset 2], we were asked to implement some of the python skills we learnt and build a inventory management system using Python 3 in Jupyter note book mainly focusing on file management and manipulation concepts.
And the Final project that we built was Basic AI based personal Assistant.
The internship was for 4 weeks [1 month], after every week we had a quiz based on the learnings that we got the whole week, that way we were able to look at our understanding and implementation of the concepts.
It was a good Experience.
This experience made me more Ambitious and mindful, helped me strengthen my Organisation skills, Management skills, communication skills and technical skills.

PROJECTS

Basic AI based Personal Assistant
Sept. 6, 2021 - Sept. 14, 2021
Mentor: Syed Asad | **Team Size:** 1

Key Skills: Artificial Intelligence   Artificial Neural Networks   Automation   Python

AI Based personal Assistant is the virtual assistant which can help user to google search, send mail, do calculations, weather forecast, play on YouTube, tell jokes, search Wikipedia, give information regarding any person and many more such operations. The language used to build the project is Python 3.

Dry bean Classification
March 30, 2021 - April 24, 2021
Mentor: Abhishek | **Team Size:** 2

Key Skills: Data Analysis   Data Cleaning   Machine Learning   Algorithms   Python

The Turkish based study released a data set of the different types of beans, the task was to classify the data based on the many aspects of the particular species of bean.

SEMINARS / TRAININGS / WORKSHOPS

AI for all Institute Name: intel
Aug. 8, 2021 - Aug. 11, 2021

Key Skills: Artificial Intelligence

Face Recognition application using Python
April 24, 2021 - April 24, 2021
Institute Name: Guvi

Key Skills: Python

Git and GitHub   Jan. 20, 2021 - Jan. 20, 2021

Institute Name: Letzz Build

Key Skills: Git   Github

Basics of git and git hub were explained.

CO-CURRICULAR ACTIVITIES

- member of the college media team.

EXTRA CURRICULAR ACTIVITIES

- Digital Marketing intern at Rostrum diaries.

PERSONAL INTERESTS / HOBBIES

- Internet surfing, playing guitar, cooking, reading.

IMs

- WhatsApp - 7411772254

PERSONAL DETAILS

Gender: Female

Marital Status: Unmarried

Current Address: Plot No: 197, Sector No: 2, Shivabasav Nagar, Belagavi, KARNATAKA, Belagavi, Karnataka, India - 590010

Email: maitrimagadum04@gmail.com

Date of Birth: April 13, 2000

Phone Number: +91-7411772254
